

InfinityPATH

SPECIALISTS IN HISTOPATHOLOGY

Experienced Medical Laboratory Scientists/Technicians – Histology

InfinityPATH is a rapidly growing, boutique **Histopathology** laboratory, located in Underwood. **InfinityPATH** consists of a passionate team of people who are focused on quality service for our doctors, patients and colleagues.

At **InfinityPATH** we believe in nurturing and supporting our team, to help you advance both personally and professionally.

We are seeking **Medical Laboratory Scientists and Technicians**, specialising in **Histology** to join our dedicated team. You must be a self-starter, proactive, dynamic, reliable, flexible, adaptive to change, care about our patients, and be a committed part of our team.

This is a casual position for the right candidate/s, requiring availability Monday to Saturday on a rotating roster for shifts ranging from 330AM to 3AM.

Be a part of the team making a difference in the pathology industry - come and join the **InfinityPATH** team.

Laboratory Scientist/Technician Skills Selection Criteria:

- Histology Dissection Skills **Essential** - *Extensive Experience in Simple and Complex Skin Dissection required*
- Histology Embedding Skills **Essential**
- Histology Sectioning Skills **Essential**
- Knowledge of Histology Special Stains and Immunohistochemistry
- Experience within a histology laboratory **Essential**

Primary Laboratory Scientist/Technician Tasks:

- Specimen Reception
- Slide send-away
- Slide and request filing
- External stakeholder communications

The successful candidate must meet the essential primary skills selection criteria above and also have a high level of accuracy and attention to detail with excellent problem-solving skills. They must uphold quality standards and adhere to quality system protocols and maintain excellent communication and transparency with management and colleagues.

To Apply for the position as a Medical Laboratory Scientist/Technician (Histology):

- Please provide a cover letter and CV contact details for two recent professional referees.
- As a part of your application please answer the following questions:
 - What do you believe are your major strengths?
 - Do you have experience in a private histology laboratory?
 - Provide a background on your experience
 - Why are you interested in this position as a Medical Laboratory Scientist/Technician and what do you think you can bring to the role?
 - Provide examples which demonstrate your ability to work as an effective team member.
