

“Are you looking for a Career change? InfinityPATH are looking for a Salesperson”

Histology Territory Specialist - Brisbane position

InfinityPATH is a growing company with enormous potential for continued success. We are a privately owned Histology company, who focuses on maintaining an ethical, reputable, high quality and innovative specialised service, for our doctors and patients.

We are seeking to appoint a Territory Specialist in Brisbane with a view to also cover the interstate regions when required. Your primary responsibility will be to visit general practitioners and specialists to form strong and loyal relationships and promote our specialised histopathology service.

No sales experience necessary as we will provide you with 2 weeks training and all the tools you will require to be successful in this role. However, we do want someone with a **standout personality and a can-do attitude.**

The Candidate:

- Experience in dealing with either GP's, specialists, nurses and practice managers would be advantageous **but not necessary**
- Ability to absorb information quickly
- Professional
- Great communicator
- Excellent time management
- Understanding of patient privacy and confidentiality
- Ability to work autonomously
- Adaptable, flexible, reliable, meticulous, team player, resilient
- Hold a current open Australian drivers license
- Australian citizen or permanent resident

The Sales Position offers:

- **Full time role – Commencement date: 16th January 2022**
- Salary negotiable
- 2 weeks training
- Fully equipped company vehicle
- Laptop
- Travel card
- Mobile phone
- Etag
