

SPECIALISTS IN HISTOPATHOLOGY

Experienced Medical Laboratory Scientists/Technicians – Histology

InfinityPATH is a rapidly growing, boutique **Histopathology** laboratory, located in Coburg North, Melbourne. **InfinityPATH** consists of a passionate team of people who are focused on quality service for our doctors, patients and colleagues. **InfinityPATH** is one of the largest and fastest-growing independent private pathology labs in Australia.

At **InfinityPATH** we believe in nurturing and supporting our team, to help you advance both personally and professionally.

We are seeking an **Experienced Medical Laboratory Scientist/Technician**, specialising in **Histology** to join our dedicated team. You must be reliable, proactive and adaptive to change whilst prioritising our patients care and being a committed part of our team.

This is a full time position for the right candidate/s, requiring availability Monday to Friday on a rotating overnight shift. Possible weekend roster in the future.

Be a part of the team making a difference in the pathology industry - come and join the **InfinityPATH** team.

Essential Laboratory Scientist Skills:

- Hold an AIMS Accredited Medical Laboratory Science Degree
- Histology Dissection Skills **Essential - Extensive Experience in Simple and Complex Skin Dissection essential**
- Histology Embedding Skills preferred
- Histology Sectioning Skills preferred
- Experience within a histology laboratory
- Knowledge of Histology Special Stains and Immunohistochemistry

Additional Laboratory Scientist/Technician Tasks:

- Specimen Reception
- Slide send-away
- Slide and request filing
- External stakeholder communications

The successful candidate must meet the essential primary skills selection criteria above with a demonstrated high level of accuracy and attention to detail paired with excellent problem solving skills. They must uphold quality standards and adhere to quality system protocols whilst maintaining excellent communication and transparency with management and colleagues.

To Apply for the position as a Medical laboratory Scientist/Technician (Histology):

- Please provide a cover letter and CV contact details for two recent professional referees.
- As a part of your application please answer the following questions:
 - What do you believe are your major strengths?
 - Do you have experience in a private histology laboratory?
 - Provide a background on your experience
 - Why are you interested in this position as a Histology Medical Laboratory Scientist/Technician and what do you think you can bring to the role?
 - Provide examples which demonstrate your ability to work as an effective team member.
 - Provide an example of a situation where you had a problem/ disagreement with client, workmates and/or manager? And how did you deal with it?
 - What is your current employment situation? When would you be able to commence with InfinityPATH?
 - Do you have your own transport and current license?
