About Infinity Pathology

Make a Real Difference:

InfinityPATH, an independent histopathology leader, delivers bespoke, premium diagnostic services with rapid turnaround. Leveraging cutting-edge technology, including our proprietary eDoctor platform and Smartbox system, we provide healthcare professionals across Australia with streamlined, convenient access to critical results.

Infinity Pathology provides a dynamic and fulfilling career for Specialist Histopathologists in Brisbane and Melbourne. Our dedication to personalised service and collaboration across Australia creates an environment where you can make a significant impact. Lead clinical and scientific advancements, mentor teams, and drive innovation in our expanding laboratory network.

Experience the benefit of dedicated Quality Management support, allowing you to prioritize diagnostic excellence. Our collaborative team culture is enhanced by the dependable technical expertise of our proficient IT team.

About the Opportunity

InfinityPATH is seeking full-time Specialist Histopathologists for our Brisbane and Melbourne laboratories, offering a unique opportunity to lead and innovate in histopathology. You will directly influence clinical and scientific practices, mentor emerging pathologists, and contribute to our strategic vision.

Your responsibilities will include:

- Provide expert analysis of complex histopathology cases, ensuring precise clinical correlation
- Driving quality assurance and upholding rigorous scientific integrity and standards
- Offer expert consultation to medical professionals.
- Collaborate on operational strategies to drive excellence in service delivery
- Facilitate professional development and education within the industry
- Represent InfinityPATH in professional forums and research endeavours

InfinityPATH

SPECIALISTS IN HISTOPATHOLOGY

About You

To qualify, you will need:

- Bachelor of Medicine and Bachelor of Surgery
- Fellowship of the Royal College of Pathologists of Australasia (or equivalent)
- Registration with the Australian Health Practitioner Regulation Agency (AHPRA)
- Extensive experience in histopathology, with a focus on leadership in **dermatopathology or gastroenterology pathology**

Additional skills and qualifications that would be highly valued:

- Visionary leadership abilities, inspiring teams to drive clinical innovation
- Expertise in strategic thinking, with the ability to translate vision into long-term operational strategies
- Exceptional communication skills, both written and verbal
- A passion for mentoring and fostering growth in junior professionals
- Adaptability to work in a fast paced, dynamic environment while maintaining diagnostic accuracy

Our ideal candidate will bring a strong vision for the future of diagnostic pathology, a dedication to leading and mentoring, and a proven ability to contribute to the strategic growth of our organisation.

About the Benefits

InfinityPATH offers a competitive compensation package, with **earnings in excess of \$550K**, based on your skills and experience, along with a comprehensive benefits package that includes:

- **Relocation assistance** (available for the right candidate)
- **Flexible working hours** to support a healthy work-life balance
- **Generous paid time off** (25 days annually)
- **Professional development package** with one week (5 days) of study leave annually
- **\$10K annual allowances**
- Bi-weekly **peer review meetings** to foster knowledge sharing and collaboration
- Automatic enrolment across all **Quality Assurance Programs (QAP)**, ensuring continuous professional growth and excellence
- **State-of-the-art laboratory** opening in Brisbane in 2025: Join us at our brand-new, three-storey facility, featuring cutting-edge technology and collaborative environments
- **Opportunities for career growth** in a dynamic, fast-paced environment that values continuous improvement and leadership

Ready to Apply?

Elevate your pathology career with an innovative leader. Join InfinityPATH, where your expertise drives diagnostic excellence in a collaborative and supportive environment that empowers your professional growth.
